

Matrix of Implementation of the ASEAN – UN Comprehensive Partnership (2015-2016)

SECTION 1 – POLITICAL-SECURITY COOPERATION

Area of Engagement	Status
1.1 Peace and Security	
In November 2016, the UN Department of Political Affairs will co-organise with the Government of Indonesia, an ASEAN-UN Track 1.5 Workshop: 3 rd Regional Dialogue on Political-Security Cooperation (AURED III), which will focus on conflict prevention and the prevention of violent extremism.	Planned
In November 2016, the UN Department of Political Affairs will organise the first UNITAR training on preventive diplomacy to be held in the Asia-Pacific. The event will prioritise participants from ASEAN, and will be hosted by Lao PDR, the current Chair of ASEAN.	Planned
During the reporting period, the UN has engaged with the ASEAN Regional Forum in a number of substantive areas. These include: UNODA at the ARF Workshop on Promoting Nuclear Weapon Free Status of Mongolia (September 2015); WHO on health security threats associated with Chemical, Biological, Radiological and Nuclear (CBRN) and UNICRI at the ARF Workshop on Raising Awareness and Promoting ARF Cooperation on CBRN Risk Mitigation (September 2015); OCHA at the ARF Workshop for First Response Support for Victims of Terrorism and Other Mass Casualty Events (September 2015); UNODA, UNIDIR and UNOOSA at the ARF Workshop on Space Security (November 2015); OCHA on emergency preparedness and response and humanitarian civil-military coordination at the 15 th ARF Inter-Sessional Meeting (ISM) on Disaster Relief (February 2016); UNODC on Fisheries Crime and Transnational Organized Crime at the ARF Workshop on Illegal, Unregulated and	Completed

Unreported (IUU) Fishing (April 2016); and OCHA at the ARF Workshop on Climate Change Adaptation and Disaster Management (May 2016).	
<p>Throughout the reporting period, ASEAN has provided valuable contributions to UN global peace operations. As of July 2016, eight ASEAN member states provided more than 4,800 military personnel, police and civilians to United Nations peacekeeping operations.</p> <p>In December 2015, the UN, together the Malaysia Peacekeeping Training Centre, organised a Consultative Forum for the Commanders of ASEAN Peacekeeping Training Centres in Malaysia.</p>	<p>Ongoing</p> <p>Completed</p>
<p>In the reporting period, OCHA provided trainings on humanitarian affairs and humanitarian civil-military coordination for peacekeepers and/or militaries from ASEAN countries. These included the annual Royal Brunei Air Force Junior Staff Course (September 2015); the Malaysia Peacekeeping Training Centre's Ensuring Sustainable Peace and Security Course (October 2015); the ASEAN Humanitarian Civil-Military Forum (March-April 2016); the Future Challenges in Peace Operations session at the Pirap Jabiru exercise jointly hosted by Thailand and Australia (May 2016); and the annual Supporting Humanitarian Action in Responding to Emergencies and Disasters (SHARED) Course organized by Malaysia's Peacekeeping Training Centre (June 2016).</p> <p>OCHA also provided training to deploying peacekeepers from Indonesia four times during the course of the reporting period at the Sentul Peacekeeping Training Centre.</p>	<p>Completed and Planned (again)</p>
<p>In December 2015, UN Women provided expert resource persons for an ASEAN Institute for Peace and Reconciliation Symposium on the "Plight of Women and Children in Conflict Situations" hosted by the Government of the Philippines. The symposium highlighted, inter alia, the need for greater efforts in implementing the United Nations Security Council Resolution 1325.</p>	<p>Completed</p>
<p>In 2015 and 2016, UNODC continued to implement a regional research programme focused on preventing violent extremism. In addition, it initiated programmes in 2016 aimed at countering the financing of terrorism in Myanmar, as well as hindering the flow of foreign terrorist fighters in the Greater Mekong Sub-region.</p>	<p>Ongoing</p>
<p>In February 2016, UNODC published research that examined the security-crime nexus as it</p>	<p>Completed</p>

relates to increased economic integration in the ASEAN region, followed by an ASEAN Senior Officials Meeting on Transnational Organised Crime on security and economic integration in Bangkok in May 2016.	Ongoing
In 2015 and 2016, UNODC continued to promote border and port security through its Border Liaison Office (BLO) network in the Greater Mekong Sub-region and its Container Control Program (CCP), which is now active in all ASEAN countries except Brunei Darussalam and Singapore.	Ongoing
In June 2016, UNODC provided training to criminal justice practitioners on prosecution and adjudication of sexual crimes against children in Cambodia, Lao PDR and Viet Nam.	Ongoing
In October 2015, UNODC supported the Senior Officials Workshop on Mutual Legal Assistance (MLA) and Extradition in East Asia and the Pacific. It also developed a report on improving MLA in the region as an effective tool to counter the challenges from emerging transnational organized crime.	Completed
UNODC is supporting the work of Thailand as the Voluntary Lead Shepherd on illicit trafficking of wildlife and timber under the framework of the ASEAN Ministerial Meeting on Transnational Crime (AMMTC), co-organising the <i>Inter-Regional Conference on Illegal Wildlife and Timber Trafficking between ASEAN, South Asian and African Countries</i> with the Royal Thai Police in June 2016. In addition, in June-July 2016, UNODC provided specialized training on wildlife crime cases to prosecutors from Lao PDR, Myanmar, the Philippines, Thailand and Viet Nam.	Completed/ Ongoing
Through 2015 and 2016, UNDP has been providing technical support to governments on incorporating into national contexts the guidelines on indicators for victims of trafficking in persons, which were developed jointly in 2015 between ASEAN and the Coordinated Mekong Ministerial Initiative Against Trafficking (COMMIT).	Ongoing
In 2015 and 2016, UNODC continued to provide support to ASEAN Member States in the areas of trafficking in persons and migrant smuggling through the Bali Process and the Voluntary Reporting System on Migrant Smuggling and Related Conduct (VRS-MSRC). In July 2016, UNODC began an assessment of government capacities in Indonesia, Myanmar, Malaysia and Thailand to identify, investigate and prosecute human trafficking and migrant smuggling cases.	Ongoing
During the reporting period, IOM supported the implementation of the ASEAN Declaration	Ongoing

against Trafficking in Persons particularly Women and Children, and the operationalisation of the Guidelines for the Protection of the Rights of Trafficked Children in Southeast Asia and relevant measures for protecting victims and populations at the risk of being trafficked.	
In August 2016, IOM, ASEAN Secretariat and the Government of Indonesia held an ASEAN Workshop on Human Trafficking and Forced Labour in the Fishing Industry with SOM-TC, SLOM, Departments of Immigration, Ministry of Marine Affairs and Fisheries and Head of Special Units members of AMS.	Completed
In July 2016, UN ODA provided a technical briefing on nuclear-weapon-free zones at the meeting of the Working Group of the Executive Committee of the Southeast Asia Nuclear-Weapon-Free Zone Commission (SEANWFZ Working Group) held in Vientiane, Laos.	Completed
1.2. Promotion of Good Governance, Human Rights and Democracy	
From 29 June to 1 July 2016, the ASEAN Inter-Governmental Human Rights Commission organized the 2nd Regional Dialogue on the Mainstreaming of the Rights of Persons with Disabilities in the ASEAN Community with the participation of various UN agencies, including ESCAP, UNICEF, UNWOMEN, ILO and OHCHR. In addition, the Special Meeting of AICHR in Chiang Mai featured meetings with UNDP, OHCHR and UNESCO to explore future collaboration to promote and support human rights work in the region.	Completed
UNESCO and AICHR will collaborate to develop guidelines of good practices on media reporting on human rights, based on elaboration of the ASEAN Declaration of Human Rights.	Planned
In December 2015, UNICEF and AICHR Thailand co-convened a Regional Consultation Dialogue on the Impact of ASEAN Integration on Child Rights. A study on the same subject has been commissioned to the Mahidol University's Institute of Peace and Human Rights.	Completed
In November 2016, the UN is co-hosting the Third High Level Meeting on Child Rights of Asia and Pacific countries in Kuala Lumpur, including ASEAN and ASEAN Secretariat participation. The themes are Social Protection, Violence against Children and Universal Health Care.	Planned
In July 2016, the ASEAN Secretariat Human Rights Division held a dialogue with UN Women and UNICEF EAPRO, including AICHR's Five Year Work Plan 2016-2020 and Priority	Ongoing

Programmes 2016/2017 in order to explore possible areas of cooperation.	
1.3 International and Regional Issues of Common Concern	
In September 2016, UNESCO Forum of National Bioethics Committees from ASEAN member States on the Ethical Dimension of Trans-boundary Haze: Seeking Solutions through Bioethical Approach.	Planned
In May 2016, OCHA, ASEAN Secretariat and AHA Centre worked together to ensure that ASEAN priorities and experience were featured at the World Humanitarian Summit held in Istanbul.	Completed
In May 2016, ASEAN served as a senior member of the Asia Regional Steering Group; hosted a side event on the ASEAN-UN partnership on disaster management; and served as a keynote speaker at the Special Session that launched the Regional Organizations Humanitarian Action Network (ROHAN).	Completed
In November 2016, ASEAN plans to host the first operational level meeting of the ROHAN network.	Planned
In 2016-2017, OCHA plans to engage ASEAN in the annual Global Humanitarian Policy Forum held in December at UN Headquarters in New York, and to support ASEAN to hold its first Global Forum on Disaster Management.	Planned

SECTION 2 – ECONOMIC COOPERATION

Area of Engagement	Status
2.1 ASEAN Economic Integration	
As mentioned under political cooperation, UNICEF and AICHR Thailand co-convened a Regional Consultation Dialogue on the Impact of ASEAN Integration on Child Rights on December 4, 2015 and a study on the same subject has been commissioned to the Mahidol University's Institute of Peace and Human Rights.	Ongoing
On 21 March 2016, the ILO, UN Women and the Friedrich Ebert Stiftung (FES) collaborated with the ASEAN Secretariat to organize the ASEAN inter-pillar policy dialogue on the impact of	Completed

<p>ASEAN economic integration in labour sector upon the creation of the ASEAN Economic Community (AEC). The policy dialogue is recurrent event and scheduled for 2017.</p>	<p>Planned</p>
<p>The 27th ASEAN Summit was presented research findings on the “Projected gender impact of the AEC”, which identified the mechanisms through which ASEAN economic integration may create opportunities for accelerating gender equality and women’s economic empowerment in the region, as well as identify challenges that may prevent women from taking advantage of these newly created opportunities. Jointly commissioned by the ASEAN Secretariat, UN Women Regional Office for Asia and the Pacific and the Friedrich-Ebert-Stiftung (FES), with support from the Australian Department for Foreign Affairs and Trade (DFAT). The ASEAN Secretariat and UN Women shared the report with the ACW and ACWC representatives in September 2015. Upon their endorsement the report was presented at the 27th ASEAN Summit.</p>	<p>Completed</p>
<p>In 2016 ESCAP supported the Implementation of the ASEAN Roadmap for the Attainment of the Millennium Development Goals (MDGs), including through providing technical support to the ASEAN Regional MDG Assessment; supporting country-level initiatives, particularly of CLMV countries, to design, implement and monitor development policies for achieving the MDGs, graduate from Least Developed Country (LDC) status where appropriate and promote integration of CLMV into the ASEAN Economic Community.</p>	<p>Completed</p>
<p>ESCAP continued to support to ASEAN in promoting regional cooperation in taxation issues, including ASEAN countries, starting with an advisory group meeting of tax experts in Bangkok in December 2016 and production of associated research materials.</p>	<p>Ongoing</p>
<p>ESCAP continued to support to ASEAN in promoting public-private partnership (PPP) through meetings of experts and capacity building workshops (Cambodia, Myanmar and Laos in 2016 and (Philippines, Vietnam/Myanmar in 2017), as well as production of research materials and capacity-building projects.</p>	<p>Ongoing</p>
<p>In June 2016, ESCAP held an Asia-Pacific Research and Training Network on Trade- Agence Française de Développement (ARTNeT-AFD) Research Capacity Building Workshop on ASEAN Integration in Bangkok. The Asia Pacific Research Training Network on Trade (ARTNeT), is an open regional network of research and academic institutions and think-tanks to address international trade and investment policy and facilitation for sustainable development.</p>	<p>Completed</p>

The 6 th ASEAN Connectivity Symposium was held in Kuala Lumpur, Malaysia on 16 October 2015	Completed
On 27 April 2016, Launching of the <i>Project Briefs for Selected Public-Private Partnership (PPP) Projects</i> , publication of the results of the ASEAN PPP Programme during the G20 Event: <i>Strengthening Global Infrastructure Connectivity Forum</i> in Singapore	Completed
Conduct of policy laboratories with sector experts; Stakeholders Forum and Regional Workshop with ASEAN Member States, Dialogue Partners, and international organisations; and drafting sessions in consultation with ASEAN Sectoral Bodies and respective relevant line ministries for the formulation of the Master Plan on ASEAN Connectivity 2025.	Completed
The UN continued to support to ASEAN in working with the Organisation for Economic Cooperation and Development (OECD) on the <i>ASEAN Risk Mitigation Instruments Project</i> to analyse insurance and guarantee products against political, commercial and demand risks towards securing project revenue streams of PPP investments and encouraging greater private sector participation in ASEAN infrastructure development.	Ongoing
Mekong River-based Tourism Product Development: A joint-report between World Tourism Organization (UNWTO) and ASEAN, this study is focused on the analysis of tourism products and the tourism itinerary development in the Mekong area covering following five ASEAN countries: Cambodia, Lao PDR, Myanmar, Thailand and Viet Nam. The study is also focused on sustainable development and community empowerment through greater distribution of benefits of tourism to all stakeholders. The study was completed in January 2016 and publications were distributed during 19 th Meeting of ASEAN Tourism Ministers held on 17 February 2016 in Manila, the Philippines	Completed
Measuring Sustainable Cruise Tourism Development in Southeast Asia: Involving ASEAN destinations, this research aims to pilot a measurement framework for each of the eight strategies for sustainable cruise tourism development and responsible tourism in Southeast Asia, which were presented in the previous report “Sustainable Cruise Tourism Development Strategies – Tackling the Challenges in Itinerary Design in South East Asia”, published by UNWTO in February 2016. The Report of the Study is expected to be published in ASEAN Tourism Forum (ATF) 2017 to be held on January 2017 in Singapore.	Ongoing
2.2 Micro-Small and Medium Enterprises	
In 2016-2017, the ILO continue to support to ASEAN in the needs of SME sub-sector in the rural economy in ASEAN countries. This initiative is continuation of the first phase of the	On-going

ASEAN-ILO Small Business Competitiveness project.	
In 2016 ESCAP continued to supported CMLV SME development including through advisory services and missions on SME development and GVC participation in Vietnam, Lao PDR and Myanmar. In 2017, ESCAP will continue to support SME technical assistance in ASEAN.	Ongoing
ESCAP continued to support to ASEAN in conducting a study on women's entrepreneurship in ASEAN countries, with a focus on analyzing critical enabling factors, including access to ICT, finance and credit. The study is expected to be completed by the end of 2016. In 2017, The UN plans to organize an ASEAN forum on women's entrepreneurship.	Ongoing
2.3 Food, Agriculture, Fisheries and Forestry	
FAO provided technical expertise to the ASEAN Secretariat in preparing and finalising a Vision and Strategic Plan for ASEAN Cooperation in Food, Agriculture and Forestry 2016-2025.	Completed
In 2015-2020, FAO continued to support ASEAN in streamlining-and developing a strategic framework for the implementation of the ASEAN Integrated Food Security Framework (AIFS) and the Strategic Plan of Action on Food Security in the ASEAN Region (SPA-FS)	Ongoing / Planned.
FAO continued to support to ASEAN in collaborating with the ASEAN Regional Knowledge Network on Forests and Climate Change and ASEAN Social Forestry Network (ASFN) in capacity building and knowledge sharing activities in ASEAN.	Ongoing
In August 2015, FAO has been organizing a series of Executive Forest Policy Courses (the 8th course was organized in Myanmar and in May-June 2016, the 9th course was organized in Indonesia, in which forestry officials from ASEAN states have participated and ASFN was one of the main partners.	Completed/ Ongoing
From 22 to 26 February 2016, Officials from ASEAN Member States participated actively during the Third Asia-Pacific Forester Week held in Clark, Philippines. ASFN was one of FAO's major partners in the event. FAO has suggested to upscale and further increase collaboration with ASEAN capacity building and knowledge sharing initiatives related to sustainable forest management.	Completed/ Planned.
FAO and the secretariat of the Asia Pacific Fisheries Commission (APFIC) continued-to support ASEAN in areas of its mandate in fisheries and aquaculture. Specific areas of cooperation include the provision of technical advice, capacity development and support to regional coordination. These activities have been carried out during the reporting period and others continue. FAO's work with AMS is aligned to the current ASEAN Strategic Plan of Action (SPA) for fisheries and the draft ASEAN SPA2 (2016-2020).	Ongoing / Planned.

<p>In recent years a focus of the work, with regional partners such as ASEAN/SEAFDEC, has been on combatting IUU fishing and implementation of the Port State Measures Agreement (PSMA), which came into force in June 2016). FAO with regional partners continue its efforts in this respect and also supports AMS in the management of their fisheries and has for example developed the Ecosystem Approach to Fisheries Management (EAFM) capacity development and implementation tools through regional programmes such as the Bay of Bengal Large Marine Ecosystem Project (BOBLME) and the Regional Bycatch Reduction Project Phase II (REBYC-II).</p>	<p>Ongoing / Planned.</p>
<p>FAO in partnership with the South East Asian Fisheries Development Cooperation (SEAFDEC) - ASEAN-continued to support ASEAN in the development of draft regional strategy for the implementation of the Voluntary Guidelines for Small Scale Fisheries and Tenure. The FAO Regional Blue Growth initiative provides support to AMS on sustainable aquaculture development.</p>	<p>Ongoing / Planned.</p>
<p>FAO continued to support to national efforts in ASEAN to control selected 'high impact' diseases present in the countries (e.g. FMD, PPR and HPAI) and / or to respond to the risk of specific emerging / re-emerging diseases (e.g. ASF; AIV H7N9) and emerging issues such as antimicrobial resistance in animals.</p>	<p>Ongoing</p>
<p>FAO continued to support to ASEAN in 'Generic' enhancement of national disease control systems through capacity building (Field Epidemiology Training Programme for Veterinarians, FETPV, EAHMI, diagnostic laboratories), technology transfer (e.g. animal disease identification,) and revision of relevant legislative frameworks.</p>	<p>Ongoing</p>
<p>FAO continued to support to ASEAN in is fostering regional cooperation and the development of regional approaches and coordination capacity for the control of priority transboundary and emerging diseases (e.g. AVEG, ALDF, ACCAHZ, Avian Influenza H7N9 control, etc.) and to control the spread of antimicrobial resistance.</p>	<p>Ongoing</p>
<p>FAO continued to support to ASEAN in the promotion of Human – Animal Health Sector collaboration (One Health) for the enhanced control and prevention of endemic zoonotic diseases (particularly rabies), early detection of emerging zoonoses; and promotion of prudent use of antimicrobials.</p>	<p>Ongoing</p>
<p>FAO provided technical expertise to the ASEAN Secretariat to develop a Strategic Plan of Action (SPA) for the ASEAN livestock sector and organised a workshop to finalise the SPA.</p>	<p>Completed</p>
<p>ESCAP is working with ASEAN in developing a joint programme on sustainable agriculture that include i) strengthening agricultural and rural statistics in the context of monitoring the progress</p>	<p>Planned</p>

<p>in promoting sustainable agriculture (SDG Target 2.4), ii) regional initiatives for harmonization of agricultural product standards and certification, and iii) regional cooperation on food security information system.</p>	
<p>2.4. Energy Security</p>	
<p>UNEP ASEAN Standard Harmonization Initiative for Energy Efficiency with the ASEAN Center for Energy (ASEAN 'SHINE')</p> <ul style="list-style-type: none"> • Air-conditioning sector: <ul style="list-style-type: none"> - Regional policy roadmap for Minimum Energy Performance Standard (MEPS) for Air Conditioning System & Lighting is developed. National roadmap developed and endorsed for Thailand, Roadmaps developed and awaiting endorsement for Philippines, Indonesia, Malaysia, Laos, and Vietnam. In 2016-2017, Roadmaps to be prepared for Singapore, Myanmar, Cambodia. • Lighting sector: <ul style="list-style-type: none"> - Agreement to focus on LED and Linear Fluorescent Tubes. Draft energy efficiency test method developed; Lighting Market Assessment completed and Modelling tool; Regional Lighting Policy paper developed; Technology Scoping paper developed. - 2-3 February 2016, Project launch workshop, Bangkok Thailand • ASEAN Lighting Policy and Technical Working Group established. <ul style="list-style-type: none"> - In May 2016, 1st Meeting of the Lighting Policy and Technical Working Group, Naypyidaw, Myanmar – alongside a meeting of the ASEAN Energy Efficiency and Conservation Sub Sector Network (EE&C-SSN) May 2016 - In July 2016, 2nd Meeting of the Lighting Policy and Technical Working Group, Jakarta, Indonesia - In October 2016, 3rd Meeting of Lighting Policy and Technical Working Group will be held 	<p>Ongoing</p>
<p>China-ASEAN Symposium on 2030 Agenda for Sustainable Development – “Leave no one behind”, co-hosted by the Mission of China to ASEAN, the ASEAN Secretariat and in cooperation with the UNDP, 19 September 2016, Jakarta, Indonesia. The Symposium brings together senior representatives from governmental ministries and agencies responsible for the implementation of the SDGs, think tanks and representatives from civil society from ASEAN Member States and China, the ASEAN sectoral bodies, ASEC, UNDP, private sector and the</p>	<p>Planned</p>

media to share experiences and discuss policy challenges in the context of the ASEAN Vision 2020 and the 2030 Agenda for Sustainable Development.	
ESCAP works with ASEAN Center for Energy (ACE) to support ASEAN Plan of Action for Energy Cooperation (APAEC 2016-2025) with the strategic theme: enhancing energy connectivity and market integration in ASEAN to achieve energy security, accessibility, affordability and sustainability for all; to support initiatives to facilitate further dialogues among countries in the region in addressing challenges in promoting transboundary energy trade and connectivity, in particular on power sector.	Planned

SECTION 3 – SOCIO-CULTURAL COOPERATION

Area of Engagement	Status
3.1 Disaster Risk Reduction and Management	
Between January and March 2016, ASEAN and the UN [respectively led by the ASEAN Secretariat's Disaster Management and Humanitarian Affairs (DMHA) Division, AHA Centre and the Regional Coordination Mechanism's Thematic Working Group on Disaster Risk Reduction and Resilience (TWGDR3)] developed the third iteration of the Joint Strategic Plan of Action on Disaster Management (2016-2020). This JSPADM III reflects ongoing and planned cooperation between ASEAN and the UN across the eight priority programmes outlined in the AADMER Work Programme 2016-2020.	Completed
Priorities for the first 18 months' implementation of the JSPADM III and achievements since mid-2015 include:	
i. Conducting a stocktaking of current activities and standardization of existing risk assessment methodologies in order to support ASEAN to develop ASEAN Risk Vulnerability Assessment Guidelines (ESCAP);	Planned
ii. ESCAP and AHA Centre publishing a 'Geospatial Handbook on Decision-support for Specific Natural Hazards in ASEAN' in September 2016.	Planned
iii. UNISDR+TWGDR3 continuing to support ASEAN's active engagement and leadership at the 7th Asian Ministerial Conference on Disaster Risk Reduction (AMCDRR) to be held in New Delhi, India from 2-5 November 2016;	Planned

iv.	On 28 July 2016, UNISDR supported the first ASEAN Resilient Urban Forum;	Completed
v.	Developing a common regional and international approach to establishing and supporting national private sector engagement platforms in ASEAN Member States under the Connecting Business Initiative (CBI) launched at the World Humanitarian Summit, as part of efforts to enhance coordination among UN Agencies and with ASEAN on engaging the private sector in disaster risk reduction, response and recovery throughout the ASEAN region (ESCAP, OCHA, UNDP, UNISDR);	Planned
vi.	OCHA+TWGDR3 continuing to support ASEAN in finalization of the ASEAN Joint Disaster Response Plan (AJDRP) and aligning ASEAN's SASOP Chapter 6 on Civil-Military Coordination to respective international standards and guidance;	Ongoing
vii.	OCHA continued to support to ASEAN in developing, testing and publishing a series of Interoperability Briefs that describe ASEAN-OCHA cooperation in co-locating and/or co-managing respective mechanisms, tools and services during response, including at the July 2016 INSARAG Regional Exercise and other upcoming regional simulations;	Ongoing
viii.	OCHA+TWGDR3 continuing to-support ASEAN in-co-training of UNDAC and ERAT team members, and conducting the ARDEX in Brunei Darussalam in October 2016	Ongoing
ix.	WFP continuing to support ASEAN in strengthening of the Disaster Emergency Logistics System of ASEAN;	Ongoing
x.	Familiarizing ASEAN Member States with the ASEAN Guidelines on Recovery (which were endorsed by the ACDM in April 2016), including through facilitating a simulation exercise on preparedness for recovery based on the ASEAN Disaster Recovery Reference Guide (ADRRG) at the 15-16 September 2016 meeting of the ACDM Working Group on Recovery, and working with AHA Centre to develop the ASEAN Resilient Recovery Toolbox (UNDP+TWGDR3);	Completed in 2016 / Ongoing in 2017
xi.	IOM, OCHA, UNDP, UNFPA and WFP continuing to support ASEAN in the ACE Programme annually, including with modules on the international humanitarian system, rapid and post-disaster needs assessment, humanitarian civil-military coordination, humanitarian logistics, Camp Coordination Camp Management (CCCM), information management in IDP scenarios, psychosocial support, and counter-trafficking in emergencies, the Minimum Initial Service Package (MISP) for Sexual and Reproductive Health in Emergencies, and humanitarian communications;	Completed for 2016 / Planned for 2017
xii.	On 19 August (World Humanitarian Day), (OCHA+TWGDR3) supported the	

<p>organization of the annual ASEAN Strategic Policy Dialogue on Disaster Management;</p> <p>xiii. Organizing a regional workshop on innovative approaches (UNDP).</p> <p>Detailed reporting on all areas of cooperation outlined in the JSPADM II (2015) and JSPADM III (2016-2020) is being prepared by the TWGDR3 and ASEAN as an annex to this report, available upon request.</p>	<p>Completed for 2016 / Planned for 2017 Planned</p>
<p>3.2 Environment and Climate Change</p>	
<p>On 26 September 2015, UNICEF served as resource person in the AICHR dialogue on the impact of climate change on children held in Myanmar.</p>	<p>Completed</p>
<p>The UN continued to support to ASEAN in finalizing and securing funding from the Global Environment Facility (GEF) for a project on Integrated River Basin Management in 7 ASEAN countries. (UNDP has been engaged in receiving letters of endorsement from participating countries.)</p>	<p>Ongoing</p>
<p>ASEAN Secretariat & UN Consultation Meeting on ASEAN-UN Work Plan on Environment and Climate Change 2016-2020; Tuesday, 19 April 2016, ASEAN Secretariat, Jakarta. Work Plan reviewed by ASOEN and ASOEN Working Groups and waiting endorsement following approval of ASEAN Strategic Plan on Environment (ASPEN).</p>	<p>Ongoing</p>
<p>UNEP supported ASEAN Forum on Sustainable Consumption and Production</p> <ul style="list-style-type: none"> • UNEP continues to support ASEAN institutional capacity and an enabling environment to strengthen or initiate policies that efficiently mainstream SCP and RE in regional, sub-regional, and national development programmes. The main outputs were: National factsheets on SCP including review of the status on SCP (<i>Develop infographics and maps on resource use and SCP and country profiles for SWITCH-Asia countries</i>); Training for public sector including training of trainers on tourism (<i>SWITCH-Asia RPSC Maldives training</i>); Public awareness on SCP (<i>Sustainable Consumption Week Activities organized by UNEP</i>); Updates on report on status of progress in the technical work (Progress and technical work on life cycle thinking initiative on SCP, SPP and eco-labeling and SCP Indicators, SCP innovations, SCP financing mechanisms (<i>communication to ASEAN Member states by Secretariat through SWITCH- ASIA Website and 10YFP Clearinghouse</i>); 	<p>Ongoing</p>

<ul style="list-style-type: none"> • On 3-6 November 2015, ASEAN Forum on SCP was held in New Delhi India as a back to back event of the SWITCH Asia Technical Advisory Committee Meeting and Networking Event • On 12 July 2016, 12th Asia Pacific Roundtable for Sustainable Consumption and Production (12th APRSCP) was held in Siem Reap Cambodia. • <i>In August 2016, High-level dialogue on SCP under ASOEN and ASEAN Ministerial Meeting (27th Meeting of ASEAN Senior Officials on Environment (ASOEN) & Related Meeting)</i> • On 20-23 October 2015, 8th ASEAN plus three Leadership Programme on SCP was held in Kuala Lumpur Malaysia to strengthen Post 2015 Development Agenda planning in ASEAN Countries in the context of ASEAN Integration back to back with SWITCH-Asia Workshop on SCP. • On 13-16 September 2016, 9th ASEAN-Plus-Three Leadership Programme on Sustainable Development Goal (SDG) 12 - Sustainable Consumption and Production was held in Nha Trang, Vietnam. 	<p>Completed</p> <p>Completed</p> <p>Completed</p> <p>Planned</p> <p>Completed</p>
<p>UNEP continued to support ASEAN Member States through the project on Strengthening the Capacity of Southeast Asian Countries for the Implementation of the Biodiversity Strategic Plan 2011-2020 and Aichi Targets, with a final output a report: 'Experiences and Good Practices in China and ASEAN on Biodiversity Planning and Implementation'. Project closure workshop: 29-30 September, High Level Environment Officials of GMS Workshop, Beijing, China.</p>	<p>Completed</p>
<p>UNEP continued to support to ASEAN in project concept developed and submitted to Adaptation Fund: Enhancing Climate Resilience in the Greater Mekong Sub-region by Ecosystem-based Adaptation (GMS-EbA) in the context of South-South cooperation</p>	<p>Ongoing</p>
<p>UNEP, China ASEAN Environment Center, ASEAN Center for Biodiversity project: Support for Ratification and Implementation of the Nagoya Protocol on Access and Benefit Sharing in ASEAN Countries: Strengthened national ABS regulatory and institutional frameworks in line with NP on ABS for Vietnam, Lao PDR and Myanmar; enhanced regional co-operation, knowledge sharing and learning on ABS within Southeast Asian countries, as well as between ASEAN countries and China.</p>	<p>Completed</p>
<p>In 2016, UNEP continued to support ASEAN in delivering integrated waste solutions at the national and local level Outputs: Pilot national and city level waste management planning workshops convened in Myanmar (Yangon), Vietnam (Hanoi). In September 2016, the</p>	<p>Ongoing</p>

Thailand (Bangkok) workshop is scheduled. For 2016-17, Policy studies on a) waste management, b) e-waste & c) Mercury Waste Management were planned for review by AWG on Chemicals and Waste.	
From the 6th to 8th October 2016, the Fourth Regional Forum on Environment and Health in ASEAN and East Asian countries takes place in Manila, Philippines. It aims to address environment and health issues effectively and to strengthen cooperation among ministries of environment and health, building on outcomes and progress achieved as showcased at the three previous Forum meetings.	Ongoing
ASEAN-UNEP IETC Joint Activities on (i) study on waste management in ASEAN; (ii) study on e-waste management in ASEAN; and (iii) study on Mercury Waste Inventory. The Final workshop of the Joint Studies was held on 23-24 August 2016 in Bangkok, Thailand	Completed.
8 th ASEAN+3 Leadership Programme on Sustainable Production and Consumption focusing on governance for SCP's in the context of the Post-2015 Development Agenda, 21-23 October 2015. The event was co-organised by UNU-IAS, UNIDO, UNEP-SWITCH Asia, and ASEAN.	Completed
9 th ASEAN+3 Leadership Programme on Sustainable Production and Consumption with the theme "Advancing SCP through Sustainable Value Chains in ASEAN+3 Countries. The event will be co-organised by UNU-IAS, UNIDO, UNEP-SWITCH Asia, and ASEAN in October 2016 in Hanoi, Viet Nam.	Planned
The 5 th State of Environment Report (SoER) is planned to be published by the end of 2016. UNEP provided the fund for consultancy, and the ASOEN endorsed the conduct of the report. The 5 th SoER is part of the 50 th ASEAN Commemoration Plan. The consultancy is currently undergoing tender process.	Ongoing
In June 2016, ESCAP organized an informal Roundtable in Bangkok on Addressing the Issue of e-waste in Consumer Electronics Value Chains through Responsible Business Conduct (RBC) in South-East Asia/ASEAN.	Completed
3.3 Culture and Education	
UNICEF provided inputs in the development of the five year sectoral workplans in Education and Youth.	Completed
UN supported the development of ASEAN work plan on youth which has one of its pillar on volunteerism. UN supported training of ASEAN Youth Volunteer Programme on the role of volunteering in DRR, code of conduct and safety and security. Discussion on-going on	Ongoing

strengthening areas or cooperation within the ASEAN work plan on youth with regards to strengthening volunteerism.	
Promote regional peace, economic development, social progress and cultural development in the region through advancing educational, scientific and cultural linkages.	Ongoing
Explore new areas for co-operation in the field of culture and education in the form of specific joint activities, including holding a joint conference/training, joint studies and technical assistance. <ul style="list-style-type: none"> ▪ Involvement of ASEAN in the development of key messages in shared histories in Southeast Asia for basis in the development of supplementary materials in lower secondary schools in Southeast Asia/ASEAN. (UNESCO) ▪ Support in the formulation of ASEAN Declaration in Strengthening Education for Out-of-School Children and Youth (UNESCO) ▪ Proposed cooperation on the implementation of the Southeast Asia Primary Learning Metrics (UNICEF) 	Planned
The ASEAN University Network (AUN) maintains its progress in increasing students' mobility and exchanges, creating a network among universities in ASEAN Countries as well as in enhancing people-to-people contact. AUN continues with its mandate of promoting university collaboration and enhancing student mobility using ASEAN Credit Transfer System (ACTS)	Ongoing

Initiative with Indonesia's competition commission launched 3. Support for the development of law on compulsory licensing for public health (Cambodia) 	Ongoing
<p><u>Development and Implementation of the ASEAN Post 2015 Health Development Agenda for 2016-2020:</u></p> <ul style="list-style-type: none"> • The ASEAN Post 2015 Health Development Agenda (APHDA) for 2016-2020 and its Governance and Implementation Mechanisms paved the way for the creation of seven health goals, 20 health priorities and four Health Clusters. These Health Clusters include the following: 1) Promoting Healthy Lifestyle; 2) Responding to all Hazards and Emerging Threats; 3) Strengthening Universal Coverage and Access to Care and 4) Ensuring Food Safety. These Health Clusters separately met in July 2016 to develop their 2016-2020 work plans. These have been adopted at the Health Cluster level. These work plans comprise the APHDA Programme for 2016-2020. Collaboration with the UN under this Health Work Programme is underway. • Encourage coordination and collaboration between UN agencies and the ASEAN Health Sector through project initiatives relevant to the 2030 Agenda for Sustainable Development and ASEAN Post-2015 Health Development Agenda, including cross-cutting concerns such as the prevention and control of non-communicable diseases; promotion, advocacy and capacity building on maternal, new-born, and child health , promotion of good nutrition and healthy diet including nutrition security, food safety, water, sanitation and hygiene disaster health management; and preparedness, prevention, detection and response to communicable diseases/emerging infectious diseases including pandemics, HIV/AIDS, and other potential public health threats. • Promote exchange of best practices, advocacy initiatives, technical cooperation and 	Ongoing

<p>capacity building in promoting healthy lifestyles; responding to all hazards and emerging threats; strengthening Universal Health Coverage including health systems; human resources for health development and, access to care especially by vulnerable groups/ key populations and enhancing food safety as well as nutrition security and water, sanitation and hygiene.</p>	
<p><u>Implement priority areas for 2015 from the ASEAN Declaration of Commitment: Getting to Zero New HIV Infections, Zero Discrimination, Zero AIDS-Related Death:</u></p> <ul style="list-style-type: none"> • ASEAN Secretariat through the Office of the DSG for ASCC and the Health Division, and ASEAN Member States (AMS) organized a Side Meeting during the UN High Level Meeting on Ending AIDS entitled as: <i>Round Table Forum on the ASEAN Experience of Cities/Areas Getting to Zeros</i> on 8 June 2016 at the United Nations Building in New York City. This Side Meeting provided a platform to present and discuss the good practices, experiences and innovative approaches in addressing HIV and AIDS through the <i>ASEAN Cities Getting to Zeros Project</i>. The Office of the DSG for ASCC also highlighted the post 2015 developments in ASEAN and the direction of the ASCC sectors that has relevance to the issue of HIV and AIDS. UN entities, Permanent Missions to the UN, government representatives, academe, civil society groups, development partners and participants of the UN High Level Meeting were represented at the meeting. • As a way forward, it was recommended by the Side Meeting for ASEAN Secretariat to develop or enhance existing mechanism of multi-sectoral and multi-stakeholder collaboration in HIV and AIDS initiatives; and mechanism of monitoring and evaluation of the <i>ASEAN Cities Getting to Zeros Project</i>. • HIV and AIDS as a health priority is under Health Cluster 2. The Health Cluster 2 work plan on HIV and AIDS builds on the activities related to ASEAN Getting to Zeros Project. This project initially started with 13 cities/areas in ASEAN. It has now expanded to more than 54 cities/areas with technical support from UN. • A new Declaration on Ending HIV and AIDS ASEAN Declaration of Commitment on HIV and AIDS: Fast-Tracking and Sustaining HIV and AIDS Responses is currently seeking adoption by AHMM. 	<p>Completed</p> <p>Ongoing</p> <p>Ongoing</p> <p>Ongoing</p>

<p><u>Implement priority areas for 2015 from the Bandar Seri Begawan Declaration on Non-Communicable Diseases (NCDs):</u></p> <p>Promoting Healthy Lifestyle and prevention and control of NCDs is under Health Cluster 1. Under cluster 1 are health priorities that include reduction of tobacco consumption and harmful use of alcohol, promotion of good nutrition and healthy diet, Promotion of mental health, promotion of healthy and active ageing, prevention of injuries and promotion of occupational health.</p>	
<p><u>Maternal and Child Health including Nutrition:</u></p> <p>The data harmonization for Maternal and Child Health including Nutrition was supported by UN. Two consultative workshops were conducted in 2013 and 27-29 May 2015, respectively. The project involved the development of a concept paper, establishment of network with other relevant stakeholders and the conduct of workshop to develop minimum set of indicators, data dictionary and tools to monitor the progress. A series of indicators, including frequency and methodology of data collection was recommended for discussion in related Health Clusters Meeting.</p> <p>Follow up activities will be done post 2015 under Health Cluster 3 work programme.</p> <p>ASEAN Regional Guideline for Minimum Requirement for Training and Accreditation of Skilled Birth Attendants, as endorsed by 12th AHMM in September 2014 in Ha Noi, with the support of UN will be further translated in the local language. Follow up local initiatives will be done post 2015 on the follow through with SBA.</p> <p>The development and publication of Regional Report on Nutrition Security Volume 1 in 2014 and the Regional Report on Nutrition Security Volume 2 in March 2016 involved the collaboration of ASEAN and UN agencies. UN supported the ATFMCH on the development of evidence- based advocacy tools for Maternal, infant and young child nutrition which included ASEAN Member States' good practices on their respective nutrition programmes. Follow up activities with UN will be done under work programme of Health Clusters 1, 2 and 3.</p>	<p>Completed</p> <p>Ongoing</p> <p>Completed</p> <p>Ongoing</p>

SECTION 4 – CROSS-SECTORAL COOPERATION

Area of Engagement	Status
4.1 ASEAN Connectivity	
From April 2016, ESCAP attended the ASEAN annual senior transport officials meeting and proposed a long-term work plan for cooperation with ASEAN. The work plan is under the ASEAN Transport Strategic Plan (2016-2025) and the ESCAP Regional Action Programme on Sustainable Transport Connectivity (2017-2021).	Ongoing
ESCAP has taken part in two ASEAN railway-related events. (a) the annual meeting of the Special Working Group on SKRL and (b) the annual Conference of ASEAN Railways CEOs to provide technical inputs on finance, technical standards and regional and subregional connectivity.	Completed
All ASEAN member States actively participate in the ESCAP Trans-Asian Railway Working Group meetings and railway facilitation activities. Through ESCAP's, ASEAN member States coordinate their Singapore-Kunming Rail Link (SKRL) plan with the neighboring sub regions and learn technical/operational standards under the ESCAP's Trans-Asian Railway agreement and regional framework for railway transport facilitation. Follow-up capacity building will be organized for ASEAN member states to enhance their knowledge acquired from the regional activities.	Ongoing
In 2017 ESCAP will support a subregional dialogue on enhancing energy security and in promoting energy connectivity in South-East Asia to help ASEAN share experiences in sustainable energy	Planned
In 2016 ESCAP completed "A Pre-Feasibility Study on the Asia-Pacific Information Superhighway in the ASEAN Sub-region: Conceptualization, International Traffic & Quality Analysis, Network Topology Design and Implementation Model" and is exploring the possibility to present the findings to TELSOM before end 2016.	Ongoing
An ITU- ASEAN Initiative on Developing an ASEAN Strategy Framework on Child Online Protection is ongoing as the response to the survey questionnaire on ASEAN COP practices and initiatives are being consolidated and analysed. Related to this, the ITU-ASEAN Workshop on Child Online Protection was successfully organized on 13-14 September 2016 in Manila with more than 80 delegates representing relevant sectors (e.g, ICT, education, social	Completed

welfare, justice, private sector, NGOs and other regional organizations, etc. from ASEAN member states (AMSS) participating in the Workshop.	
Development of the ASEAN Strategy Framework on Child Online Protection.	Ongoing.
4. 2 IAI and Narrowing Development Gap	
From 18-21 January 2016, ESCAP provided capacity building support for Government officials of the Lao People's Democratic Republic for the preparation of the ASEAN Chairmanship in 2016, in the context of support to CLVM and ASEAN integration framework.	Completed
4.3 Cooperation to Implement the 2030 Agenda for Sustainable Development	
The ILO worked with the ACMW to improve the statistics on the stocks and flows of migrant workers within and from the ASEAN region. 19 tables were proposed and two rounds of data collection were completed for the International Labour Migration Statistics (ILMS) Database for ASEAN. The Database is published on the ILO STAT portal, Asia-Pacific Migration and ASEAN Statistics.	Completed
Since July 2015, the ILO has been collecting complete data for 2014 and address on-going data gaps and capacity building needs. The ILO has documented the process of developing the ASEAN ILMS Database and produced the "Guide", "Analytical Report", "Factsheets" and "Statistical booklet" to assist other regions developing similar databases.	Completed
New available data has been being collected since May 2016, including Census and Labour force survey (Myanmar), Labour force survey (Brunei) in addition to the data from 2015 to continue the update of ILMS in ASEAN.	Planned
UNDP continued its programme of mainstreaming SDGs into the national planning of ASEAN countries following the UNDG Reference Guide on MAPS and taking stock of country demands and mapping.	Ongoing
On 28-30 June 2016, ESCAP, in collaboration with the Government of the Lao People's Democratic Republic, organized a regional workshop on the 'Adaptation of the 2030 Agenda and the Istanbul Programme of Action (IPoA) at the National Level for the LDCs in Asia and the Pacific'.	Completed
From 4-6 May 2016, ESCAP conducted national SDGs adaptation capacity building workshops in Cambodia, Myanmar and Lao PDR.	Completed

Cooperation in Capacity Building	
ASEAN Secretariat, is working with UN Women and UNICEF to identify areas for potential collaboration to support the implementation of the five-year work plans of the relevant ASCC sectoral bodies. Including the identification of potential technical support for ASEAN Secretariat to increase capacities on gender mainstreaming, gender analysis, and supporting international instruments promoting the rights of women and children, among others.	Ongoing

SECTION 5 - SECRETARIAT-TO-SECRETARIAT COOPERATION

Area of Engagement	Status
DPA continued to closely work with ASEAN Secretariat on a broad range of issues, including in the preparation of reports and organisation of ASEAN-UN meetings at the regional level, such the ASEAN-UN Summit and regional meetings in Jakarta, and also ASEAN-UN meetings in New York. Throughout the reporting period, the DPA liaison presence in Jakarta continued to provide important linkages between ASEAN and its related institutions with the UN system in Bangkok and New York, particularly in the drafting of the first ASEAN-UN Plan of Action.	Ongoing
OCHA's liaison office in Jakarta ensured regular coordination with ASEAN throughout the development of the Joint Strategic Plan of Action on Disaster Management 2016-2020 (JSPADM III) and continues to support the coordinated implementation of the JSPADM III, including through monthly coordination meetings between the UN, ASEAN Secretariat and AHA Centre. Further detail on the implementation plan is to be concluded by end-2016.	Ongoing
In December 2015, UNICEF served as a resource person on a number of topics in the child rights foundational course for ASEAN Secretariat staff, staff of AICHR and ACWC representatives and CSOs in the region. This series of trainings were funded by Save the Children and managed by Ateneo Human Rights Center.	Completed

<p>The ASEAN Secretariat is exploring engagement with OHCHR to provide technical expertise to human rights training for ASEAN Secretariat staff.</p>	<p>Ongoing</p>
<p>ASEAN Secretariat, is working with UN Women and UNICEF to identify areas for potential collaboration to support the implementation of the five-year work plans of the relevant ASCC sectoral bodies. Including the identification of potential technical support for ASEAN Secretariat to increase capacities on gender mainstreaming, gender analysis, and supporting international instruments promoting and protecting the rights of women and children, among others.</p>	<p>Ongoing</p>
<p>In 2016, the ASEAN secretariat and the UN system have developed an environment and climate change work plan that will help ensure coherent implementation of regional actions to promote environmental sustainability and climate action. The process for developing this environment and climate change work plan has also helped to ensure full alignment of UN regional support with ASEAN priorities and the work of the ASEAN senior environment officials. The draft plan has been welcomed by ASEAN Senior Officials on Environment and all ASEAN Working Groups under ASOEN and is waiting endorsement pending approval of the ASEAN's own internal ASEAN Strategic Plan on Environment (ASPEN).</p>	<p>Ongoing</p>
<p>ASEAN and UNESCO Secretariats will hold a joint meeting in Jakarta in October 2016 to discuss the extension of the Framework Agreement for Cooperation between UNESCO and ASEAN and to revisit the Indicative Joint Program of Action (2014-2018).</p>	<p>Planned</p>
<p>Throughout the reporting period, ASEAN continued to explore the provision of technical support from the UN Headquarters Department of General Assembly and Conference Management in support of its planned development of a document reference system for ASEAN.</p>	<p>Ongoing</p>
<p>In 2015, UN DSS completed a "Security Assessment of ASEAN Secretariat", including guidelines and recommendations for the implementation of a new security system. ASEAN Secretariat is planning to engage UNDSS in support of planned fire and evacuation training.</p>	<p>Completed</p>

SECTION 6 - IMPLEMENTATION MECHANISMS

Area of Engagement	Status
<p>The interaction between ASEAN and the UN system has been enhanced since the last Summit, particularly at the Secretariat-to-Secretariat (S2S) level. The last S2S Meeting was held on 30 March 2016 at the ASEAN Secretariat, during which both sides agreed to step up the cooperation on areas of priorities towards the achievement of ASEAN Vision 2025 and the 2030 Agenda for Sustainable Development.</p> <p>Through this S2S mechanism, the two Secretariats has closely collaborated in monitoring the progress of ASEAN-UN cooperation, and regularly reported the implementation of the Joint Declaration on ASEAN-UN Comprehensive Partnership to the AUMM and through it to the ASEAN-UN Summit. The next S2S Meeting is scheduled to take place on 21 September 2016 in New York.</p>	Ongoing
